A Letter from your Mayor......

On November 7, 2017 voters of St. John will have the opportunity to vote on a proposed Use Tax. Proposition “U” (as in “Use” tax) has been placed on the ballot, after considerable thought and evaluation by our City Council.

The primary source of revenue for our city is sales taxes. These State, St. Louis County, and local taxes provide nearly 45% of all operational revenue of our General Fund. These sales taxes are collected for nearly all retail purchases throughout our city, county, and state.

Unfortunately sales tax revenues are stagnant. The ease and convenience of shopping on-line, by phone, or by mail order has had an impact on our sales tax revenues.

Our elected officials and city staff have done a commendable job of keeping the operational costs of our city under control. Unfortunately their efforts have been undermined by inflation and stagnant sales tax revenues.

Before making their decision to place Proposition U on our November ballot, other options were considered. The City of St. John has never raised real estate property taxes. Considering all of the numerous public entities that receive nearly 97% of your property taxes; your elected officials sought alternate measures. When researching a Use Tax option and discovering over 100 municipalities and 59 counties already have a Use Tax in place, we believed it was time to capture this much needed source of revenue.

We have all grown dependant and accustomed to quality municipal services. Our goal is to simply continue these services to our community.

I urge you to read the article about Use Taxes located in this newsletter. Let’s keep St. John a great and safe place to live, work, and raise a family.

I hope to see you all on November 7th. Thank you.

PROPOSITION “U” What Is It?

On November 7, 2017 voters of the City of St. John will have the opportunity to vote on a proposed Use Tax.

What is a Use Tax? A Use Tax is a sales tax imposed on the purchase of goods by Missouri residents from out-of-state vendors. Since 1959 a state Use Tax has been imposed on the storage, use, or consumption of tangible property in this state. State statutes permit cities in Missouri to “ask its” voters to approve a city Use Tax on out-of-state purchases equal to the city sales tax applicable at local stores.” Currently, there are over 100 cities in Missouri who have a local Use Tax.

Is this just another sales tax? No. Unlike a sales tax, which requires a sale at a retail outlet in Missouri; a Use Tax is imposed directly upon the person/business that stores, uses, or consumes tangible property in Missouri. A Use Tax does not apply if the purchase is from a Missouri retailer and subject to Missouri sales tax.

What would be the rate of this Use Tax? The local Use Tax rate would be 1.225%. This is the same rate as the current local sales tax.

“DOG ON DUTY” MAKES SizeABLE DONATION TO ST. JOHN POLICE K-9 PROGRAM

On September 28, 2019, at a small get together was held for the grand opening of St. John’s newest “Little Library” located at St. John Park. Numerous members of Dogs on Duty, a not-for-profit organization that provides support for service dogs in Missouri was also in attendance. At the event, they presented a check for over $4,000 to outfit the new St. John PD K-9 vehicle with all of the internal components necessary for the utilization and safety of St. John’s K-9, “Vos”. In 2013, Dogs on Duty also provided “Vos” with a ballistic vest free of charge, as well.

The founder of Dogs on Duty, Meribeth Broadway, has made her and her associates’ mission to provide as much financial support for service dogs, primarily those utilized in law enforcement and the courts, as possible. She is an avid animal lover and is a wealth of knowledge for those who have questions about the training and utilization of service dogs.

In addition, Ryan and Lindsay Reel, the owners of “Tapped”, a self-pour bar and restaurant located in Maplewood, MO, presented a check for over $7,000 to Dogs on Duty in support of the program. The Reel’s elected to pay their employees a higher than average wage so patrons could then donate to their “Charity of the Month”, rather than having employees work for gratuities. Dogs on Duty was the Charity of the Month for August, resulting in the above donation.

Overall, the weather was great, the turnout was excellent, and we all got to enjoy a little time together to appreciate the people that have been so generous to the City of St. John.

INTRODUCING HALEY our Police Station/City Hall dog

Approximately a year and a half ago, the St. John Animal Control Officer, Shari Pijut, found a lonely rat terrier type dog wandering the streets of St. John. Although the dog was friendly, it was malnourished and afraid. Ms. Pijut brought the dog back to the station and gave her food and water.

Everyone in the station immediately fell in love with the dog. Ms. Pijut made numerous attempts to locate the owner via several types of media. After approximately two weeks it seemed apparent no one was coming to get her. We took the dog to the Rock Road Animal Hospital; who gave the dog her shots and made sure she was going to be okay. Chief Morris decided that “Haley” could be our Police Station/ City Hall dog for as long as she wanted.

Now Haley comes to “work” 3-4 days a week. She lives with Captain Rackers and his family at night and on weekends. She has gained a bit of weight and can be seen begging, playing and sleeping most times between 9am and 5 pm (Monday - Friday) in City Hall. She especially likes to sit with Councilwoman Halaska at City Council meetings.

She loves kids and always welcomes visitors. Feel free to come by and see our Haley whenever you get a chance. She makes a lot of days brighter, for those who work here as well as those who come to visit.
NEW EMPLOYEES

Julie Beth Vetter

Julie was hired on June 1st as the City’s new Finance Officer. She trained with Marilyn Betkis, the City’s then current Finance Officer who was preparing to retire in August.

Her work experience includes 15 years in the Finance Division of Edward Jones, in the Facilities Department and 12 years at the Campbell Montessori School as Business Manager and Director.

She is also a dance and theater mom who loves spending most of her free time watching her two teenage sons on stage. She enjoys reading, playing the piano, and solving crossword puzzles. She and her husband like to travel and especially enjoy short driving trips to explore Missouri and surrounding states.

She is excited to join the City and we are just as excited to have her here. She is looking forward to meeting the residents and serving the needs of the community.

The St. John Police Department’s newest hire, PO Dustin Hitchcock, began his career with the City of St. John on June 16th, 2017.

He is engaged to his fiancé, Faith and he has three wonderful children. He graduated from Granite City High School in 2010 and graduated the Eastern Missouri Police Academy in July 2016.

He loves to watch and play hockey and baseball and has been a lifelong Cardinals’ fan.

We are enjoying him as our newest member of the Police Department!

PROPOSITION “U” cont. from page 1

When would a Use Tax be applied?
Purchases subject to a Use Tax include tangible personal property that is purchased by residents from phone, catalog, or internet vendors from out of state. The Use Tax is simply a local tax applied to purchases made from out of state vendors. A Use Tax is paid predominantly by businesses.

How is this Use Tax collected? The Missouri Department of Revenue requires out of state vendors having a “direct connection” in Missouri (offices, warehouse, employees, or delivery by USPS) to collect and remit the Use Tax. If the out of state vendor does not collect the Use Tax, the individual purchaser is then responsible.

How/when to file a Use Tax return? A purchaser must file a consumers Use Tax return only if the cumulative purchases subject to Use Tax exceed $2,000 in a calendar year. The due date is April 15th of the year following the purchases subject to Use Tax.

Why the need for a Use Tax and how will the revenue be used? Consumer’s pending habits are changing. While mail/phone/internet sales are increasing, retail shopping outlets sales are decreasing. As a result, local and county sales taxes are negatively impacted. These much needed sales taxes are essential for the City of St. John to continue providing the quality professional municipal services we have all grown accustomed to. A Use Tax will compensate for the loss of sales taxes from retail outlets.

A Vote For Proposition “U” Is A Vote For:
Continued Quality Municipal Services
Fiscal Responsibility
Maintaining Property Values
Hiring, Training, Retaining Quality Employees

PLEASE VOTE ON NOVEMBER 7, 2017
The Future Of Our Community Is Dependent Upon The Support Of Our Community
UPCOMING COMMUNITY EVENTS

FALL CLEAN UP  October 28

The annual fall clean up is scheduled for Saturday, October 28th. This is the time when the City will provide dumpsters for residents to dispose of the junk and debris that has been collecting in the garage or the basement (or the back yard). The dumpsters will be placed on our back parking lot next to the Public Works Garage at 8920 Bristol and will be available between the hours of 8:00 a.m. to 3:00 p.m. Public Works staff will be on hand to verify residency (show an ID that has their St. John address on it) and that the items for disposal can be placed in a landfill. Unacceptable items which may not be placed in these dumpsters include electronics (any items which have circuit boards in them), all televisions, paint, batteries, pesticides, fertilizer, railroad ties, tires, oil, gasoline, old appliances and yard waste. Residents are encouraged to come early because once the dumpsters are full they will be removed.

DRUG TAKE BACK  October 28

The next National Drug Take Back Event will be held on Saturday, October 28th from 10:00am-2:00pm at the St. John Municipal Center, 8944 St. Charles Rock Road, City Hall Lobby. This is a collaborative effort with state and local law enforcement agencies focused on removing potentially dangerous controlled substances from our nation’s medicine cabinets. This national take-back day will provide a unified opportunity for the public to surrender expired, unwanted, or unused pharmaceutical controlled substances and other medications to law enforcement officers for destruction and will bring national focus to the issue of pharmaceutical drug abuse. The program provides an opportunity for law enforcement, prevention, treatment and business communities to collaborate and establish a safe collection site for all Americans, regardless of where they reside.

CHILDREN’S HALLOWEEN PARTY  October 28

Featuring... “Christian the Magician”

The Annual Children’s Halloween Party will take place at the St. John Municipal Center, 8944 St. Charles Rock Road, “C” level, starting promptly at 11 a.m. Doors open at 10:30 a.m.

All St. John children and grandchildren, nine years and younger, are invited. COSTUMES ARE DEFINITELY ENCOURAGED. Entertainment, hotdogs, chips and drinks will be provided. Tickets are required for admission but are free of charge. Proof of residency is required to pick up tickets. A limited number of tickets are available now. So stop by City Hall to pick some up. But don’t wait too long or you may miss out. For questions, call the City Hall at 427-8700, Ext. 3.
UPCOMING COMMUNITY EVENTS

BREAKFAST WITH SANTA  Dec 9

The Annual Breakfast with Santa is on Saturday, December 9, 2017 at 10:00 a.m. SHARP!

Doors will open at 9:30 am. Tickets are limited and are only available for children and grandchildren of St. John residents, 9 years of age or younger. Tickets will be available on October 30, 2017. They are free and can be picked up at the St. John Municipal Center, City Hall Office, 8944 St. Charles Rock Road, Suite 100, Monday thru Friday, 8:00 a.m. to 5:00 p.m. Proof of residency is required. Tickets are available until 5 pm, Friday, December 8, 2017 OR until they run out.

Don’t Forget To Bring Your Cameras For A Photo With Santa!

CHIPPER SCHEDULE  Nov-April

The fall limb chipping schedule will begin on November 6th and run through April 25, 2018. The Street Department will begin running the limb chipper through the City on the following schedule:

East side of town (Marshall to the east City limits) - First and third Monday of each month.

West side of town (Marshall to the west City limits) - Second and third Monday of each month.

Our chipper can only take limbs that are 3” in diameter or smaller. So, please place all limbs of this size at the curb with the fat ends out toward the street. We ask that you not block sidewalks with your limbs, nor put them out in the street. Just lay the limbs out behind the sidewalk if you have one and we will get them picked up for you. Thanks for your cooperation.

SENIOR CITIZEN UTILITY TAX REBATES  Feb 1

Utility tax rebates for the year 2017 will be issued February 1, 2018 – April 30, 2018. The rebate is $30.00 per household. In order to qualify for this rebate, residents must:

1) Have turned sixty-five (65) years of age or older at some point during the year 2017;
2) Currently reside in the City and have previously resided in the City for the entire calendar year of 2017;
3) Apply on forms provided by the City for a rebate on 2017’s taxes.

Qualified residents need to provide the following documentation to the City Hall in order to collect the rebate:
1) Picture identification;
2) Identification showing current address and date of birth;
3) One utility bill for January 2017 and one bill for December 2017 reflecting the address which they reside at and are requesting the rebate for.

If you have any questions, please contact City Hall at 427-8700, ext. 3.

For anyone interested in viewing the City’s financial statements they can be found on the City’s website at www.cityofstjohn.org Click on the documents icon.
UPCOMING COMMUNITY EVENTS

CHILDREN’S ANNUAL EASTER EGG HUNT  March 10, 2018

The Annual Children’s Easter Egg Hunt is at 11 a.m. SHARP! (Rain date March 24th, 2018). To be held at Marvin Elementary School, 3510 Woodson Road (NE corner of St. Charles Rock Road & Woodson Road)

For Resident’s children & grandchildren, walking age up to and including 9 years of age. Tickets will be available beginning March 1st. Tickets are free but must be picked up no later than 5 p.m., Friday, March 31st at the St. John Municipal Center. (Proof of residency is required)

Age groups will hunt at different times to give parents the opportunity to watch each individual group.

Remember to bring your Easter baskets and cameras.

If you go by the Marvin Elementary field after 9:30 a.m. on March 10th and nothing is set up and no workers are there setting anything up, then it will be a rain out for that date and the hunt will be held on March 24th, same time…same place.

If the March 24th hunt is a rain out, the hunt will be cancelled for this year. Again, if you go to the field after 9:30 a.m. and nothing is set up and no workers are there setting anything up, then you’ll know it’s been cancelled.

In case the hunt is cancelled for the year, the eggs will be at the City Hall and residents can come up the following two weeks, during regular business hours (8 a.m.-5 p.m, M-F) and pick up some eggs. If you want to bring your child(ren) with you they can pick up the eggs themselves. Please be sure to bring a basket or bag for them to put the eggs into.

ELECTION FILING DATES  April 3, 2018

The 2018 Municipal Election will be held on Tuesday, April 3, 2018. The following seats will be open:

Councilperson - Ward I  (Pamela Hollenberg - Incumbent)
Councilperson - Ward II  (Mary Halaska - Incumbent)

Filing for this election opens at 8:00 a.m. on Wednesday, January 3, 2018 and closes at 5:00 p.m. on Wednesday, January 10, 2018. Petitions are available at City Hall, located on the first floor of the St. John Municipal Center, 8944 St. Charles Rock Road.

In order to file for office, candidates must:
• Be a current resident of St. John
• Have legally resided in St. John for one year or more
• Be 21 years of age or older
• Currently be a registered voter in St. John
• Be current with payment of all City, County, and State taxes

Candidates meeting the above requirements must file a petition (supplied by City Hall) with the City Clerk containing the signatures of ten (10) registered voters (in indelible ink). Candidates filing for Council must live in the Ward in which they are filing for and all the signatures of their sponsors must be from that same Ward. Nominees are not allowed to sign their own petition. The filing fee is $10 and must accompany the petition at the time of filing. If you have any questions regarding this, please contact the City Hall at 427-8700, x 3.
We all know accidents happen. A gate gets blown open in a storm; our dog jumps the fence to chase a rabbit; or our cat slips out the door when we’re carrying groceries in. Whatever the reason may be, the reality is that sometimes our pets get away from us and go missing. Do you know who to contact if this ever happens to you?

If your dog, cat, or other pet go missing the first step is to call City Hall and report your pet missing. You’ll want to leave your name, address, phone number, and a description of the missing pet. This should include any collar, tags, or microchip that the pet may have. Our animal control officer patrols our city regularly and will keep an eye out for missing pets.

The City of St. John Public Works Department has a Facebook page where unidentified pets are posted in an attempt to locate an owner. Any pets for which we are unable to locate an owner are transferred to St. Louis County Animal Control. So getting your information to our animal control officer is crucial.

If your pet has a microchip you should contact the microchip company to report the pet missing. The microchip company will take a report and contact you if anyone calls them to trace your pet’s microchip number. It is a good idea to keep your pet’s microchip number handy in case you ever need to make such a report. Next you should contact the shelters in the area.

There are three main shelters in the area. They are St. Louis County Animal Control in Olivette (615-0650), the Humane Society in Maryland Heights (647-8800), and the APA in Brentwood (645-4610). It is recommended that you visit these shelters in person to view the animals that they have and check to see if yours is there. These shelters take in a large number of animals daily. Some of these animals may look similar to yours, so giving a description over the phone may cause your pet to be overlooked even if he/she is there. These shelters also post the animals they take in on www.stlostpets.org. You can view the animals at the shelters and submit a missing pet report. This website is updated hourly so it is a good idea to check it regularly.

One last place to check is a Facebook page called St. Louis Missouri, Lost & Found Paws. People all across the area come together on this page to help lost pets and their owners be reunited. People can post dogs they have found or seen running loose, and owners can post pictures of their missing pets.

We hope these steps help reunite you with your pets should they ever go missing.

So often the storm sewer inlets on residential streets are used as receptacles for all sorts of trash, debris, and yard waste. We’ve seen people throw cans and bottles down the storm sewers, rake leaves into them, and blow grass off the street into the storm sewers. Did you know that whatever goes into the storm sewers gets into the water supply? Rain water entering a storm sewer eventually empties into a stream or creek which empties into a larger river like the Missouri or the Mississippi. Did you know your drinking water comes from these rivers? The trash, debris, and yard waste that gets dumped into the storm sewers will affect the quality and cost of your drinking water. It’s important that we not pollute these rivers, not only for the sake of the aquatic life that depends on them, but also for our own health and well being. Please remember: nothing but rain water in the storm sewer.
SNOW PLOWING

Did you know that last year the Street Department did not have to plow snow off any streets in the City? We did have to salt the streets for icing, but not once did we have to put the blades down to move snow off the streets. That is very unusual. Every other year the Street Department has to remove the snow and ice off City streets in a timely manner. And every year we find that cars left parked on the streets during and after a snow event can slow down that process. We ask that residents keep an eye on the forecast and when it says snow is to be expected, please make arrangements to park your car off the street.

This is particularly critical on the narrow streets where the snow plows can barely get past cars parked across from each other. And when the snow is pushed up against the driver’s side of a parked car it will be harder for you to get your driver’s side door open. So we are asking that residents make arrangements to park their cars off the street when snow is in the forecast.

As always, we apologize in advance for pushing snow onto a driveway approach that has already been cleaned off. It can’t be helped and we are sorry for the additional work it may cause you.

We appreciate your assistance and understanding as we work to make your streets safe and passable.

GUIDELINES FOR POLITICAL CAMPAIGN SIGNS

Many people aren’t aware of what the guidelines are in St. John for posting campaign signs. Political campaign signs are allowed without a permit in any zoning district subject to the following:

a. Signs may announce the candidate seeking public office and other pertinent data or issues before the voters and other information pertinent thereto;
b. Signs shall not exceed four (4) square feet in total area for any one (1) sign or five (5) feet in height;
c. The maximum total sign area for all signs combined shall not exceed sixteen (16) square feet total for each lot or each dwelling unit. Said signs shall only be placed on private property ten (10) feet or more from the street curb or curb line and only with the consent of the private property owner thereof;
d. Signs shall be removed within three (3) days after the election for which they were made.

In addition, the City does not allow any political campaign signs on their property; even though it is a polling place. This includes the City Hall, Police Department and the Public Works Grounds. The right-of-ways are controlled by the Missouri State Highway Department and they have informed us that they do not allow signs on the right-of-ways as well.

CRITICAL HOME REPAIR ASSISTANCE

Recently the City of St. John and Rebuilding Together - St. Louis have developed a partnership to provide funding opportunities to homeowners for property repairs and improvements.

Rebuilding Together - St. Louis’ mission is to revitalize neighborhoods by rehabilitating the houses of low income homeowners, particularly the elderly, disabled, and veterans. Their goal is to allow homeowners to live independently in the safety and comfort of their own homes.

They can provide the following repairs: Electrical, Plumbing, Painting, AC/Heating, Flooring, Roof repairs and Handicap accessibility improvements. Skilled and experienced volunteers provide these services at NO COST to the homeowner.

To participate in this program, homeowners are required to complete a Rebuilding Together - St. Louis application and submit documents. Homeowners over the age of 60, U.S. Military Veterans, and individuals with disabilities are priority recipients. Assistance can be provided with the application process.

During the past ten years, Rebuilding Together - St. Louis has completed over 500 home repair projects in the St. Louis area. Our goal is for our residents/neighbors to be Safe, Comfortable, and Independent in their homes and community. So this is a great opportunity to make that happen for our residents in need of assistance. For further information, please contact Jessica Conner at Re-Building Together-St. Louis, (314) 918-9918.
IS YOUR CHILD IN THE RIGHT SAFETY SEAT?

While they may be old enough, they still may not weigh enough, or be tall enough to buckle up and skip the booster or car seat.

In 2016, 18 children less than eight years of age were killed and 47 suffered injuries as occupants in motor vehicle crashes in Missouri. Twenty-nine percent of the children killed were not restrained in a car seat or safety belt.

Missouri law requires all children under eight to be in an appropriate child safety seat or booster seat, unless:
- They are at least 80 pounds.
- They are at least 4’9” tall.

While Missouri law only requires one of them, safety encourages all of them.

All parents and caregivers need to understand the importance of booster seats. It’s not just about following the law – booster seats help prevent serious injury and may even save your child’s life.

Serious injuries can result from improperly fitted safety belts, particularly for children ages four through seven who are secured only in a regular safety belt during a crash. These injuries are commonly known as “seat belt syndrome,” which are often life-threatening or disabling injuries. Booster seats help prevent this syndrome from occurring by raising the child up so the lap and shoulder belt fits them properly.

Child safety seat technicians will provide education and car seat inspections at locations across the state throughout the year. A list of car seat inspection stations and locations across the state can be found at seatcheck.org. This website also has a video on how to choose the right car seat for your child.

When it comes to the safety of a child, there is no room for mistakes.

For more information on Child Passenger Safety, visit saveMOlives.com. You can also follow on social media at Save MO Lives.

---

IS YOUR CHILD IN THE RIGHT SAFETY SEAT?

The City of St. John has recently implemented Code Red, a high speed mass emergency notification service. The Code Red system sends telephone calls, text messages, emails, and posts to social media channels to inform residents of critical information during emergency situations.

The initial data base of residential and commercial land-line phone numbers has been provided to Code Red; however all residents and business owners are encouraged to visit www.cityofstjohn.org and click on the Code Red logo and enroll their contact information for their cell phones, text numbers, and email addresses. This link will also provide further information on this program.

The City of St. John anticipates using Code Red to notify residents of fires, floods, weather events, boil orders, missing children/adults, and Police incidents. Non-emergency notifications such as road closures, snow removal call-outs, health screening services, and public meeting announcements can be delivered by this service as well. However, residents can opt out for any or all of the notifications if desired.

No personal information is shared. No solicitations, advertising, or political messages are ever sent via Code Red. And, this service is free to all residents and businesses in our community. So please sign up soon.
If you’re a registered voter, you can vote!

Option 1

Present ONE of the following forms of valid photo ID.

- Missouri Driver License
- Missouri Non-Driver License
- Passport
- Military ID

Option 2

Present ONE of the following forms of acceptable identification and sign the provided statement.

- Voter Registration Card
- ID from a Missouri University, College, Vocational or Technical School
- Utility Bill
- Bank Statement

Other Forms: Government Check, Paycheck, Other Government document showing your name and address.

Option 3

Registered, but have no ID. Vote a provisional ballot.

There are two ways your vote counts:
1. If you come back to your polling place and show a photo ID, your vote counts.
2. If your signature matches the signature in the voter registry, your vote counts.

Registered to vote in St. Louis County is very easy. There are numerous registration sites available throughout St. Louis County for those eligible to register to vote.

The additional sites are made available in an effort to accommodate individuals who are unable to go directly to the St. Louis County Election Board Offices. These sites include most city halls (including St. John), libraries and schools in addition to Special School District facilities, local branches of the Junior College District, Universities and Colleges, and various businesses, union halls and churches within St. Louis County.

State election laws also provide for registration by mail, at all State Department of Motor Vehicle Registration Offices and State offices providing public assistance while conducting other official business at their establishment.

To register to vote in St. Louis County, a person must:
- Be a U.S. citizen
- Must be 17 ½ years of age (18 years old by Election Day)
- Be a resident of St. Louis County

Please contact the Election Board for any additional registration information by calling 314-615-1800.
The City of St. John and the Missouri Clean Energy District have recently joined forces to provide funding opportunities for energy efficient and renewable energy projects.

HERO, which stands for Home Energy Renovation Opportunity, is the largest residential Property Assessed Clean Energy Program (PACE) in America. HERO provides homeowners the opportunity to make energy improvements to their homes and pay for them over time through their property tax bills.

HERO has helped thousands of homeowners lower their energy bills by replacing HVAC systems, upgrading windows and doors, adding insulation, and going solar. HERO funds up to 100% of the home improvement and HERO interest rates are fixed and competitive with other lending providers. HERO interest rates may be tax deductible and terms are based on the useful life of the product up to 20 years.

Homeowners interested in learning more about the HERO Program should visit www.heroprogram.com or call 855-HERO-411

The City’s new website went live on July 6, 2017. Although we’re not done with it by any means, we are wondering how you feel about it so far. After all, you’re the ones that will be using it to access City information, forms, events, etc.

Send us your ideas on what you would like to see on the site. Is it better than the old site? Are you able to find items/information easier on the new site? What would you like to see added/removed/changed on the site? Maybe you saw something on another website that you thought to yourself “Gee, I wish the City that on their site” or just saw or thought of something that you felt would be beneficial on the City’s site? And as always, any old photos you might have of St. John would be most welcome. We would love to have a page devoted to those.

If you haven’t had a chance to look at it yet, please take some time and visit us at www.cityofstjohn.org. Let us know what you think about it.

You can send your comment(s) to: website@cityofstjohn.org. With your input we can make the website something that will help everyone.

We thank you in advance for taking time from your busy schedule to help us with this.
